

M60B / S -09

Remote Controlled Alarm & Automatic Dual Immobiliser

The **M60B & M60S** are Fully Tested and Certified to the AS/NZ 4601 amendment 1 2003 and AS/NZS3749.1 2003 Class B for Vehicle Immobilisers and alarm systems.

The **M60B/M60S** are fully featured alarms with automatic dual immobilisers with a built-in programmable 1 to 5 minute turbo timer, new 3 button remote control and a blue warning LED.

The automatic dual circuit engine immobiliser is designed to deter theft by automatically disabling the starting and running of your vehicle. If your vehicle has central locking*, this model can provide keyless entry - just press the remote button and your doors lock or unlock!

M60B - standard siren

M60S - digital battery back-up siren

* Some vehicles require additional parts at extra cost to enable this feature to operate
